An F-16 aircraft painted in the color scheme of the original Air National Guard flight demonstration team takes flight from the 140th Wing, Buckley Air Force Base, July 26, 2006. This F-16 is flying south of the Air Force Academy. The 140th Wing of the Colorado Air National Guard has reached the 50th anniversary as the only flying acrobatic Air National Guard team, and to commemorate this event they have painted an F-16 aircraft in the same paint scheme as the original F-86s were 50 years ago. An F-16 aircraft painted in the color scheme of the original Air National Guard flight demonstration team takes flight from the 140th Wing, Buckley Air Force Base, July 26, 2006. This F-16 is flying south of the Air Force Academy. The 140th Wing of the Colorado Air National Guard has reached the 50th anniversary as the only flying acrobatic Air National Guard team, and to commemorate this event they have painted an F-16 aircraft in the same paint scheme as the original F-86s were 50 years ago.
